NUMBER OF POSITIONS:

CATEGORY: Marketing POSTING DATE: **Immediate CLOSING DATE:** July 15, 2016

BACKGROUND:

QAI Laboratories (QAI) is a professional certification body, test laboratory, and inspection body with offices in Burnaby, Toronto, Los Angeles, Tulsa and Washington DC. Over the last few years the QAI name and logo have become increasingly recognized throughout the industry resulting in steady growth of the business. QAI primarily service manufactures of Electrical Products and Building products.

As Marketing Coordinator, you'll be responsible for ensuring the delivery of a wide range of marketing initiatives. You'll spend your day planning and publishing content for our website, e-marketing, newsletters, sales materials and social media sites.

A big part of what you will do will be publishing content online using WordPress and e-marketing using Constant Contact. Therefore, it is expected the right candidate will be proficient in SEO and HTML, and requires basic IT skills.

You will be optimizing online content to get QAI's service message across effectively to our current and prospective clients. You will be focused on achieving measurable results and coordinating a wide range of marketing initiatives to drive profitable action and increase brand awareness. Your audience will be some of the largest business names in the world, across a broad section of industries.

DUTIES: The successful candidate will perform, but not limited to, the following duties:

- Planning, coordinating and publishing key marketing communications across a variety of different industries and service streams.
- Proofing, editing and optimizing marketing communications for landing pages, news articles, press releases, emails and social media.
- Coordinating the execution of targeted digital marketing strategies to increase opportunities, sales and brand awareness using SEO, SEM, online forms, surveys, multimedia and social media.
- Maintaining marketing systems, processes and procedures, such as marketing automation systems, style guidelines, role manuals and content delivery plans.
- Carrying out market research, analyzing data and preparing reports to help provide insight and key decisions about marketing tactics, latest trends and best practices.
- Executing marketing tactics and plans for marketing initiatives, publicity, tradeshows and promotions.
- Collecting, analyzing, interpreting and reporting on data for marketing KPIs using tools like Google Analytics.
- Work productively with sales and operations to meet business and marketing objectives.
- Other marketing duties as required.
