5. QAI logo shown here:

Models / Ratings: Structures are:

Relocatable commercial/Industrial structures comprised of single or multiple modules. Group C, D, and E occupancy, in single storey configuration and without sprinkler systems. Buildings with sleeping accommodations have a building area not exceeding 600m². Buildings without sleeping accommodations have a building area not exceed 1200m². Commercial/Industrial structures typically include but are not limited to office space, stores, construction camp facilities such as dormitories and dining trailers, equipment buildings, and other similar commercial or industrial buildings.

Structural:

Conventional Wood Frame Construction

Electrical Ratings:

120/240V, 60Hz, 200A Max.

Heating/Ventilation:

Central Forced Air Furnaces. Units may be Electric, Natural Gas, or LPG fired. Systems may be equipped with air conditioning.

Plumbing:

Conventional drainage and vent systems to a maximum of 240 hydraulic fixture units.

Gas Systems:

Natural Gas or Propane

Structures included in this listing are relocatable commercial/industrial structures manufactured at a central facility, complete with electrical wiring, for installation or connection to other modules in the field. These units, when completely assembled on site, are equipped with normal facilities for connection to electrical services. QAI certification covers the construction of the structure and any factory installed electrical services, and is intended to obviate the necessity of further inspection by the local regulatory authorities except for site connections to services or to other modules and for site mounting features.

The materials, products or systems listed herein have been qualified to bear the QAI Listing Mark under the conditions stated with each Listing. Only those products bearing the QAI Listing Mark are considered to be listed by QAI. No warrantee is expressed or implied, and no guarantee is provided that any jurisdictional authority will accept the Listing found herein. The appropriate authorities should be contacted regarding the acceptability of any given Listing. Visit the QAI Online Listing Directory located at www.qai.org for the most up to date version of this Listing and to validate that this QAI Listing is active. Questions regarding this listing may be directed to info@qai.org. Please include the listing number in the request.
