Models: Single or multiple family dwellings classified under one major occupancy (*Group C – Residential*), constructed in single or multiple modules up to a maximum of 3 storey configurations. Modular homes under this scope have a building area not exceeding 600m².

Multi-residential buildings are designed and constructed within the limitations of Part 9 with vertical and horizontal fire and sound separations between dwelling units. This listing does not include hotels and motels, and/or any buildings designed with multiple major occupancies.

For a full list of structures covered under Group C occupancy, please refer to Appendix A, Division B of the National Building Code.

Structural:

Conventional Wood Frame Construction within the limitations of Part 9 the National Building Code.

Electrical Ratings:

120/240V, 60Hz, 400A Max.

Heating/Ventilation:

Electric Baseboard Heaters. Modules may be equipped with natural gas or propane heating/air conditioning equipment installed on site.

Plumbing:

Conventional drainage and venting systems to a maximum of 240 hydraulic fixture units.

Notes: Modular Homes included in this listing are manufactured at a central facility and transported to the site. These modules must include provisions for on site interconnections, connection to municipal services (water and sewage), natural gas/propane and electrical power supply. QAI certification covers the construction of the modular homes including any factory installed plumbing, electrical and gas services, appliances, equipment and fixtures. QAI certification is intended to obviate the necessity of further inspection by the local regulatory authorities except for site connections to services or to other modules and for site installed features.

Site installation of products must be done according to manufacturer's installation instructions and in compliance with the requirements set by the local authority having jurisdiction.

The materials, products or systems listed herein have been qualified to bear the QAI Listing Mark under the conditions stated with each Listing. Only those products bearing the QAI Listing Mark are considered to be listed by QAI. No warrantee is expressed or implied, and no guarantee is provided that any jurisdictional authority will accept the Listing found herein. The appropriate authorities should be contacted regarding the acceptability of any given Listing.
