1. An application was made to add additional model names to the previously approved models. These models are identical to the models previously approved by QAI in all CSA Z240 RV Series-14 related aspects. The difference in model names only affect the décor/cosmetic changes of the models. No additional evaluation is required to add these models to the QAI Listing as there are only cosmetic differences. The previously approved model / new model name to be listed.

The materials, products or systems listed herein have been qualified to bear the QAI Listing Mark under the conditions stated with each Listing. Only those products bearing the QAI Listing Mark are considered to be listed by QAI. No warrantee is expressed or implied, and no guarantee is provided that any jurisdictional authority will accept the Listing found herein. The appropriate authorities should be contacted regarding the acceptability of any given Listing. Visit the QAI Online Listing Directory located at www.qai.org for the most up to date version of this Listing and to validate that this QAI Listing is active. Questions regarding this listing may be directed to info@qai.org. Please include the listing number in the request.
