
QAI LABORATORIES OPENS NEW OFFICE IN WASHINGTON DC AREA

FOR IMMEDIATE RELEASE (Huntly, VA – May 1, 2010)

QAI is happy to announce the opening of their new office in the Washington, DC area. As part of the effort to expand their high quality services in the testing, inspection, certification, and code-compliance of Building Products, QAI has opened this new service center effective January 17th, 2010, and moved in to our new office and laboratory site on May 1, 2010.

The new branch will allow QAI to offer local service to clients in the Eastern US and Canada. Services offered out of the Washington, DC branch will include project management of testing programs, code-compliance engineering services, ICC-ES and other Code-Agency application submittals, energy-thermal modeling, regional inspections and local representatives for certification programs.
