Subject: Scope Extension of Quality Auditing Institute in the **Hazloc** area- Close out letter

Dear Mr. Gibson:

I am pleased to inform you that the Standards Council of Canada has approved the Quality Auditing Institute's request for a scope extension to include certification of Hazloc products as listed below in Annex A. The additional subject area will be added to your scope of accreditation.

The granting of this accreditation is based on the information contained in the Quality Auditing Institute's submission together with the on-site assessments of your facility and your continued compliance with all accreditation requirements including the SCC Accreditation Agreement.

Thank you for your continued support.

Yours sincerely,

Susan Cadorette
Director, Certification Body Accreditation
