Dear Mr. Singh,

This is to inform you that the Department of Innovation, Science and Economic Development Canada (ISED) has received confirmation that **QAI LABORATORIES LTD. (CAB Identifier CA9543)** has been recognized by the United States to perform telecommunications product testing under Phase I of the APEC TEL MRA.

The scope of testing that has been recognized is Parts 15 and 18 of the Commission's Rules.

Effective immediately, QAI LABORATORIES LTD. may operate as a recognized testing laboratory to the United States requirements. This recognition is contingent upon maintenance of QAI LABORATORIES LTD.'s accreditation status and is limited to the standards above.

Should you require additional information, please do not hesitate to contact me using the CAB identifier reference in any correspondence.

Sincerely,

Yan Losier
