QAI Laboratories, Ltd  
3980 North Fraser Way,  
Burnaby, B.C., V5J 5K5

Dear Mr. Singh,

This is to inform you that Department of Innovation, Science and Economic  
Development (ISED) Canada has received confirmation that

**QAI Laboratories, Ltd**  
**CAB Identifier: CA9543**

has been recognized by the National Communications Commission (NCC) in Chinese  
Taipei to perform additional equipment testing for:

PLMN01, PLMN04, PLMN05, PLMN06 and PLMN08

under Phase I of the APEC TEL Mutual Recognition Agreement (MRA).

As of the date of this letter, **QAI Laboratories, Ltd.** may operate as a recognized testing  
laboratory with the **NCC** for the additional standards listed above so long as your  
accreditation status is maintained.

Please reference your CAB Identifier on any correspondence.

Sincerely,

Yan Losier
