

HEARTH, PATIO & BBQ TESTING & CERTIFICATION

Who We Are

QAI is a testing, inspection and certification agency that is recognized in the US and Canada. QAI provides a client focus team of experts to certify your Hearth, Patio, or BBQ products to get you to market fast and efficiently.

What We Do

QAI supports manufacturers of Hearth, Patio, or BBQ products in getting their products certified to the appropriate safety, performance and energy efficiency standards in US and Canada.

The service you can expect from QAI:

- Single point of contact throughout the inspection, testing and certification process.
- Find trusted solutions to certify products like gas fireplaces, gas inserts, gas BBQ grills, Patio Heaters, gas lanterns, and more...
- Experience and capabilities to get your product to market, seamlessly.

About QAI

QAI is a testing, inspection and certification agency of Hearth, Patio & BBQ Products, Electrical & Building Products, Recreational Vehicles, and Factory Built Structures. Founded in 1994 by a group of experienced industry professionals, QAI is an independent 3rd party organization that has established an international reputation for offering cost effective solutions and an unparalleled client experience.
