

TRANSPORT CANADA AND VEHICLE COMPLIANCE PROGRAM

Whether you are a foreign vehicle manufacturer looking to expand your market into Canada, or a new Canadian vehicle manufacturer looking to expand your sales nationally, QAI can provide guidance and help you with the approval process for Transport Canada's pre-clearance and National Safety Mark (NSM) programs. As experienced vehicle compliance specialists, we ensure that your vehicles are built to the Canadian Motor Vehicle Safety Act and its Regulations (CMVSR). We facilitate the application process to Transport Canada and provide representation for your company when it comes to compliance issues.
