

# QAI'S SPECIAL INSPECTION SERVICE

EVALUATION TO SPE-1000 TO APPROVE AND LABEL  
ELECTRICAL PRODUCTS FOR CANADA.

## Who We Are

QAI is an Inspection Body (IB) recognized by the Standard Council of Canada (SCC). This enables our Electrical Safety team to perform Special Inspections in-house or at your location for your electrical products. Our Electrical Safety team consists of experienced and knowledgeable inspectors across Canada.

## What We Do

Our Electrical Safety team is committed to supporting electrical product manufacturers, importers, and distributors in meeting the local standards; allowing their products to reach their clients. QAI evaluates and tests products for ordinary locations to the requirements of SPE-1000. Approved products receive a Special Inspection (SI) label that is accepted by all Authorities Having Jurisdiction (AHJ's) and all local Electrical Inspectors throughout Canada.

## QAI offers

- Electrical product approval for Canada
- Same day local inspections
- Next day inspections anywhere in Canada
- Efficient and economical solution to approve electrical products
