

ROOF TESTING

RESEARCH AND DEVELOPMENT
PRODUCT APPROVAL TESTING

Depend on us for your roof testing needs

FTL-QAI's dedicated team of knowledgeable individuals can help develop & execute programs to aid with your product market access.

We are an accredited certification body (ISO 17065), code report writing agency, accredited testing laboratory (ISO 17025), Florida State certification body, Miami-Dade and LA City approved laboratory, to name a few of our accreditations. With over 25 years of experience we are proud to have at your service our state-of-the-art laboratory.

Typical products test:

- Roof Coverings
- Weather Barriers
- Ventilation Systems
- Coatings and Adhesives
- Insulation Barriers
- Radiant Barriers
- Fasteners

We also conduct performance testing including:

- Wind & Wind-driven rain resistance
- Static & cyclic pressure resistance
- Water & air penetration resistance
- Impact resistance
