

QAI Job Number: QAI-MIAMI-TECHNBP
JOB TITLE: General Labor Technician – Building Products
LOCATION: Medley, FL
NUMBER OF POSITIONS: 1
CATEGORY: Building Products
POSTING DATE: Immediate
CLOSING DATE: Open Until Filled

BACKGROUND:

QAI laboratories is a testing, inspection and certification organization providing services to manufacturers of Electrical Products, Building Products, Vehicles, Factory Built Structures and other regulated products. Recognition of the QAI name and logo have grown significantly over the past few years resulting in significant expansion of the business.

We are looking for a General Labor/Technician to join our Building Products team in Medley, FL. Our ideal candidate is someone who is good with their hands, can handle power tools, is reliable and/or has had prior experience in the construction industry.

DUTIES: The successful candidate will perform, but not limited to, the following duties:

- Building of test fixtures and assemblies
- Execution of provided work instructions
- Assisting Senior technicians as assigned
- Clean up, organization of inventory
- Written and verbal reports to clients and management
- Someone willing/able/interested in learning and growing from within the organization
- Other duties as assigned by the manager or its designee

QUALIFICATION: The successful candidate will have:

- Microsoft Office (Excel and Word required, other programs an asset)
- Safe working practice with tools associated with construction
- Basic construction practices

Additional Assets include:

- Forklift experience
- Level I first aid
- Previous experience in construction industry

Key Technical Competence:

- Accepts instruction and follows it for testing outside of their general scope of knowledge and experience.
- Able to grasp general concepts in a field of testing and apply it to specific test methods.
- Able to perform simple testing and as knowledge grows in a specific field of testing graduates to more complex testing methods.

- Seeks assistance and knowledge from more senior personnel when a specific requirement is outside of their general scope of knowledge.
- Good working knowledge of the test methods in their specific discipline.
- Able to multi-task with some degree of efficiency and accuracy.
- Maintains a sense of ownership and responsibility for projects assigned to them.

APPLYING:

QAI Laboratories offers competitive compensation and benefits package. We are committed to the long-term success of our employees.

Interested? Please submit your resume and cover letter to Attn: Margrette Dobre via email at careers@qai.org

Note: Applications will only be accepted when emailed in MS Word or PDF format and must have a job-specific cover letter. Please be sure to include the QAI job number in the subject line of your communication.

Equal Opportunity Employer

QAI Laboratories is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to sex, race, color, religion, national origin, age, marital status, political affiliation, sexual orientation, gender identity, genetic information, disability or protected veteran status. We are committed to providing a workplace free of any discrimination or harassment.
