This role involves evaluation, testing, report writing and performing inspections on various types of electrical products including products used in hazardous locations.

DUTIES: The successful candidate will perform, but not be limited to, the following duties:

- Performing testing and evaluation of various electrical products to nationally recognized electrical safety standards (CSA, UL, IEC, etc.).
- Must have experience in CSA and /UL and IEC standards
- Become familiar with the QAI quality system and administrative procedures.
- Be able to write and review concise, objective, and informative test reports, and documents.
- Perform inspections and field evaluations at remote client sites.
- Be able to interact effectively and professionally with customer and staff, as required.
- Must be willing to part of an energetic team with a can-do attitude.
- Ensure work complies with the QAI quality system
- Other duties as assigned by the manager or its designee

QUALIFICATIONS: The successful candidate will:

- Bachelor's degree in electrical engineering, or equivalent.
- 5 years directly related experience.
- Experience evaluating and testing IT products and must.
- Experience evaluating and testing lighting, industrial, medical products, hazardous location products an asset.
- Possess superior MS Word and Excel skills, be proficient with Email and Adobe Acrobat.
- Possess "Good Laboratory Practice" skills essential for testing products.
- Possess good interpersonal and communication skills.

Key Technical Competence:

- Practical knowledge in the areas of expertise.
- Able to evaluate necessary requirements for testing, inspection, and/or certification and develop timelines which meet the needs of the client and QAI.
- Able to meet expected timelines and grasps the concept of prioritization.
- Able to multi-task and coordinate many activities across multiple departments, teams, and locations within the organization.
- Able to identify conformance to test, inspection, and/or certification criteria and communicate this to clients and throughout the organization.

ADDITIONAL INFORMATION:

- Candidates must hold a valid BC driver's license.
- Candidates must hold a valid passport, or be able to obtain a valid passport, and must be able to travel to the US and international destinations.

APPLYING:
