

BUILDING PRODUCTS TESTING AND CERTIFICATION

ACCREDITED TESTING, INSPECTION AND CERTIFICATION SERVICES WITH MULTIPLE LOCATIONS FOR ALL YOUR NEEDS

Open more markets for your products

QAI offers comprehensive testing, inspection and certification services for an extensive array of building products.

QAI's accredited 'certification mark' is widely recognized throughout North America, thereby providing you with peace of mind that your product complies with National Building Codes and is ready for market.

QAI's Scope of accreditation for building products

- Field Evaluations: on-site testing and labeling of fire doors
- One stop shop for fire, physical, structural, environmental, durability, large scale testing (including NFPA285), and energy testing.
- Wall Systems Testing and Certification: claddings, EIFS, modular building panels, insulations, substrates, sheathing, fenestration, etc.
- Roof Systems, Walking Decks and Accessories: membranes, tiles, shakes and shingles, underlayments, roof vents, roof drains, flashings, deck systems, etc.
- Interior Surface Materials: solid surface, stone & tiles, walls, floor and window coverings
- Plumbing Products: lavatories, showers, tubs, spas, piping, fittings, and fixtures
- Weatherproofing and Sealants: air sealants, waterproofing membranes, barriers, tile underlayment, glazing sealants.
