

DID YOU KNOW

CITY OF LOS ANGELES UPDATE

TRANSITIONING FROM LARR TO ISO 17065 CERTIFIED
AGENCIES

What Are The Changes

The City of Los Angeles is shifting from the Local Authority Having Jurisdiction (LARR) model to engaging ISO 17065 approved agencies like QAI Laboratories to provide comprehensive product certification and code evaluation report services.

ISO 17065 agencies follow standardized guidelines in their evaluation processes, ensuring consistency and reliability in their assessments. While costs and follow-up procedures may vary among different agencies, the overarching objective remains the same: to facilitate code compliance efficiently and effectively.

QAI Is Fully Qualified To Help You

- QAI is an accredited ISO 17065 agency.
- We offer easy transfer with complete data packages
- We have cost effective solutions.
- Expert knowledge and efficient turnaround time.
- A dedicated compliance support team.

By partnering with QAI Laboratories, you can expect transparent, fair, and cost-effective solutions to your code compliance needs.

For further inquiries or assistance, please contact QAI Laboratories at info@qai.org

About QAI

Founded in 1995, QAI is a testing, inspection and certification body (CB), accredited by International Accreditation Services (ICC) for the Carbon Footprint Program. QAI also holds accreditations by Standard Council of Canada (SCC) and OSHA for Building Products, Recreational Vehicles, Factory Built Structures, Electrical and Electromagnetic Compatibility.
